Mr. Bill Barry
Miami News
Miami, Florida

Dear Mr. Barry:

I am writing to ask permission to quote extensively from your important February 2 story about the police taping of the alleged plan to kill President Kennedy. I have been working in this field for quite some time.

Under separate cover I am sending you a copy of the first of the books that precede the one on which I am now working. It is my intention to quote your story in another book.

Sincerely,

Harold Weisberg
